Atlas Data Retention

Document ID: NL-21
Version: 1.0
Status: active
Owner: Product
Effective from: 2026-10-01

Synthetic example document. Not a real company policy.

S1: Tickets

Closed tickets are deleted after 365 calendar days by default. A workspace administrator can shorten this period to 90 or 180 days. Open tickets are not deleted under this retention rule.

S2: Backups

Backup copies are overwritten after 30 calendar days. A deleted ticket may therefore remain temporarily in backups. This document does not promise restoration of individual tickets.
