Knowledge Platform Backup Plan

Document ID: NL-24
Version: 1.0
Status: active
Owner: Security
Effective from: 2026-10-01

Synthetic example document. Not a real company policy.

S1: Retention

Backups of the internal knowledge platform are retained for 60 calendar days. Security reviews the plan annually. This retention statement does not concern Atlas customer data.

S2: Clarification

This plan and the Backup Operations Handbook are both marked active. The plan specifies no precedence rule over the handbook. Refer conflicting statements to the system owner.
